

ST-300 Tracking Device Installation

(The World's Simplest Vehicle Tracking Device Installation)

- **Unpack Unit**
 - Package only includes device and instructions.
- **Plug Unit into OBDII Port on Vehicle**
 - Locate your vehicles OBDII Port under the dashboard, this is typically easy to access but you may need to consult your vehicle's manual.
- **Wait for LEDs to Show Correct Indications**
 - **Green**
 - Solid = No GPS Lock
 - Flashing = GPS Lock
 - **Blue**
 - Rapid Flash = No Cellular Connection
(1 second on, 1 second off)
 - Slow Flash = Good Cellular Connection
(1 seconds on, 3 second off)
 - **Orange**
 - OBD Communicating (i.e. ignition sense)

For your convenience, write down your device's serial number here:
